Thank you for your letter dated December 1, 2004 regarding Campaign for Working Families' October Monthly Report. We respond to your inquiries below.

You requested that we clarify all expenditures made for "Design and Produce Brochure," "Postage," and "Postage for Direct Mail," as disclosed on Schedule(s) B. We have reviewed these expenditures. They reflect expenditures made in connection with direct mailings to solicit funds for Campaign for Working Families.

You also noted an increasing number of entries lacking the "best efforts" information. We appreciate your bringing this matter to our attention. We do intend to devote additional resources to obtaining and reporting the best efforts information, and we will be filing an amended version of the October Monthly Report. We will continue to send out second and third requests as needed.
